REQUEST FOR RECONSIDERATION AFTER FINAL OFFICE ACTION

Applicant hereby responds to the Office Action dated 13 January 2006, which was made final. Applicant requests reconsideration of the final office action based on the remarks appearing on a subsequent page of this request.

Prior to presenting the remarks, Applicant presents a corrected set of claims. In the corrected set of claims, independent Claims 21 and 27 are restated from the original claims as required according to 37 CFR § 1.121 (c). Some language was inadvertently omitted in Claims 21 and 27, as will be apparent from comparing those claims to the original set of claims. Presentation of the corrected set of claims is not presentation of amendments to the claims.

The Corrected Set of Claims appears on the next page, and Applicants' remarks appear starting on a subsequent page.
